

CONTENTS continued	PAGE
Mortality rates for rheumatic fever and rheumatic heart disease, 1940-65.....	1091
<i>Robert W. Quinn, Homer A. Sprague, and Julia P. Quinn</i>	
Food poisoning outbreak in Kentucky traced to creamed turkey.....	1103
<i>Ronald C. Kelsay</i>	
Progress report on the Injury Control Research Laboratory of the Public Health Service.....	1109
<i>A. F. Schaplowsky</i>	
Rabies control on Guam.....	1113
<i>James W. Glosser and E. P. Yarnell</i>	
Survey of changes in food habits during pregnancy.....	1121
<i>Elizabeth D. Nobmann and Simone Adams</i>	
Teaching programs in the epidemiology of mental health. A survey of schools.....	1129
<i>Jack Zusman, Robert E. Markush, Virginia Hannon, and Sarah Turner</i>	
1970 index.....	1137
Short reports and announcements:	
Information science at University of Pittsburgh.....	1041
Head Start progress report.....	1061
Effective therapy for rickets resistant to vitamin D... ..	1069
Up from poverty.....	1074
Education notes.....	1086
Electric brain responses are clues to children's hearing. .	1090
Disposable artificial kidney.....	1101
Program notes.....	1102
Motion pictures of coronary circulation.....	1108
Sexually transmitted fungus disease.....	1112
Conference calendar.....	1127
Films.....	1128
Practical nurses in the health labor forces.....	1132
Synopses.....	1133

1970 INDEX

Public Health Reports

Volume 85, January-December

THIS INDEX to *Public Health Reports* is divided into a subject index and an author index.

The subject index carries one or more entries for each item published. In addition to the subject headings, categorical headings include ANNOUNCEMENTS (ORGANIZATIONS AND PERSONNEL), CONFERENCE REPORTS, PHS GRANTS, AND TRAINING COURSES.

Key to Dates and Pages

<i>Pages</i>	<i>Month of issue</i>	<i>No.</i>
1-94	January.....	1
95-188	February.....	2
189-282	March.....	3
283-376	April.....	4
377-470	May.....	5
471-564	June.....	6
565-658	July.....	7
659-752	August.....	8
753-846	September.....	9
847-940	October.....	10
941-1034	November.....	11
1035-1156	December.....	12

Key to Classification Code

- (*) Original, signed article
- (CR) Conference report
- (SR) Short report

Subject Index

<p>ABNORMALITIES <i>see</i> Malformations, Congenital</p> <p>ABSENTEEISM from influenza; determined by statewide surveillance system in Pennsylvania, December 1968-January 1969..... *603</p> <p>ACCIDENTS among Navajo Indians, epidemiologic study.. *881 Injury Control Research Laboratory, Public Health Service; progress report..... *1109 motor vehicle; involvement of alcohol drinking in fatalities of Wisconsin drivers.. *535</p> <p>ADMINISTRATION assigning program priorities; use of Q value to aid management, Indian Health Service, Tucson, Ariz..... *725 Chattanooga, Tenn., a "laboratory" for new service programs (CR)..... 305 decentralization process evaluated by employees of Pennsylvania Department of Health *919 definition and measurement of health and disease *100 evaluation of health programs..... *835 health, curriculum revisions at University of North Carolina (CR)..... 308 health services, training for professional and consumer participants in new health partnerships, University of Cincinnati (CR)... 306 perceptual differences of health officers and hospital administrators regarding health care programs (CR)..... 308 supervision of health aides, practice guidelines *780</p> <p>ADOLESCENTS <i>see</i> Child Health and Welfare</p> <p>AFRICA establishing family planning services in Kenya; a review..... *131 Liberian fertility survey, use of Chandrasekar-Deming technique; problems with field application..... *965 packaged PHS disaster hospitals sent to Nigeria (SR)..... 239</p> <p>AGED knowledge and awareness of and attitudes toward Medicare in five Midwest communities; a followup..... *868 men, hearing loss tied to cigarette smoking (CR) 333</p> <p>AIR POLLUTION <i>see also</i> Environmental Health effects of noxious pollutants emitted by Federal facilities to be studied (SR)..... 867</p>	<p>AIR POLLUTION—Continued Federal Clean Car Incentive Program (SR).. 974 levels linked to severe childhood allergies (CR) 339 pigeons as indicators (SR)..... 360 rise in sulfur dioxide level related to rise in daily deaths, New York City (CR)... 341</p> <p>ALASKA Natives and U.S. Indians, time loss and indirect economic costs caused by disease; comparison with general U.S. population.. *397 otitis media among Eskimo children; epidemiologic studies..... *699</p> <p>ALCOHOL drinking, involvement in fatalities of Wisconsin drivers..... *535</p> <p>ALCOHOLISM Division of Alcohol Abuse and Alcoholism formed in National Institute of Mental Health (SR)..... 900</p> <p>ANNOUNCEMENTS, ORGANIZATIONS Environmental Engineering Intersociety Board certification examinations..... 154, 1000 Federation of Associations of Schools of the Health Professions..... 24 Medical Assistance Advisory Council, membership list..... 18 National Advisory Council on Public Health Training awards more than \$7 million for new educational facility at Harvard School of Public Health..... 39 Nutrition and Health Program transferred from National Center for Chronic Disease Control to Regional Medical Programs Service 463 reorganization of Department of Health, Education, and Welfare programs for mothers and children..... 10 transfer of Maternal and Child Health Service to Health Services and Mental Health Administration..... 90</p> <p>ANNOUNCEMENTS, PERSONNEL Cox, William E., special assistant for physical therapy affairs, Community Health Service, DHEW..... 586 Duncan, Edgar N., assistant to the Administrator, Health Services and Mental Health Administration..... 586 Johnson, Emery A., director, Indian Health Service, Health Services and Mental Health Administration..... 279</p>

ANNOUNCEMENTS PERSONNEL—Continued	
Steinfeld, Jesse L., Surgeon General of the Public Health Service.....	111
Wilson, Vernon E., Administrator of Health Services and Mental Health Administration	599
ANTIBIOTICS see Drugs	
ARMED FORCES	
hearing conservation in the U.S. Army....	*896
ATOMS	
single atoms of thorium and uranium revealed by high resolution scanning electron microscope (SR).....	680
ATTITUDE see Behavior	
AUTOMATED DATA PROCESSING	
automated multiphasic health testing facility, cost analysis of developmental phase, Tulane project.....	*685
computer analysis of electrocardiograms with six and twelve leads evaluated.....	*853
computer as tool in health screening (CR)...	289
family planning data computerized, Atlanta, Ga. (CR).....	318
GRACE (graphic arts composing equipment), first computer-driven phototypesetter, retired to Smithsonian Institution (SR)	456
use in multiphasic health testing.....	*361
BATS	
and soils studied for sources of histoplasmosis in Florida.....	*1063
insectivorous, with rabies, United States, 1953-65; a review.....	*637
BEHAVIOR	
<i>see also Individualism</i>	
attitudes of married college students toward overpopulation and family planning.....	*412
childhood characteristics as indicators of adult health status; relationship of school records to selective service classification, New York City study.....	*981
children's perceptions of vulnerability to illness and accidents; an exploratory study...	*69
consumer motivation and acceptance of urinary screening of school children, Galveston County, Tex.; epidemiologic study....	*828
evaluation of motivation of patients in a beta streptococcal control program, Denver Department of Health and Hospitals....	*113
experiment in modifying health beliefs.....	*478
factors predictive of adolescent deviant behavior (CR).....	324
relation between annoyance reactions and attitude to source of annoyance; aircraft and motor traffic noise in Sweden.....	*1070
research on health behavior, manual for scoring socioeconomic status.....	*815
response to physical activity programs and their effects on health attitudes.....	*905

BIBLIOGRAPHIES	
Abridged Index Medicus, National Library of Medicine.....	122
National Library of Medicine.....	635
BIRTH CONTROL see Contraceptives; Family Planning	
CANCER	
childhood rhabdomyosarcomas, genes, and environment (CR).....	328
chromosome aberrations among A-bomb survivors (CR).....	328
genetic-environmental role seen in some neoplasms, Minnesota four-hospital study (CR)	327
oral cytology program promoted by public health detailer (CR).....	349
possible link to X-ray treatment of scalp ringworm (SR).....	205
treatment machine being developed to deliver high-energy neutron beams (SR)...	982
CAPILLARIASIS	
epidemiology of human intestinal disease, northern Luzon (CR).....	338
CARDIOVASCULAR DISEASES	
associations of mortality with weather in Memphis, Tenn.....	*25
CHILD HEALTH AND WELFARE	
action-oriented training program for pediatric nurse practitioners, Massachusetts General Hospital (CR).....	304
allergies linked to air pollution levels (CR)...	339
behavioral deviant adolescents, identification during elementary school years (CR)	324
child-resistant containers for pills (SR)...	842
children of migrants, health services under the Elementary and Secondary Education Act (CR).....	325
children's perceptions of vulnerability to illness and accidents; an exploratory study...	*69
children's urine screened for symptoms of kidney diseases, Galveston County, Tex. (CR)	326
congenital malformations, background and methodology of study, Iowa.....	*913
dangers of adolescent pregnancies (SR)....	1031
dental care, use of dental nurses in New Zealand (CR).....	349
diagnosis and treatment of lead poisoning (CR)	320
diets of anemic and nonanemic children; survey of cost differences.....	*1087
disturbed children, education-oriented therapy program at Hawthorne Hills School, Northfield, Ohio (SR).....	698
drug addiction among school-age youth, Federal Drug Abuse Program.....	565
dyslexia subtype clue, reading-spelling patterns (CR).....	325

CHILD HEALTH AND WELFARE—Continued		
electric brain responses are clues to children's hearing (SR).....	1090	
Eskimo children, epidemiologic studies of otitis media.....	*699	
family nurse practitioners, key to medical needs (CR).....	302	
handicapped children; how to evaluate services and care.....	*647	
Head Start enrollment in Hawaii, factors influencing.....	*207	
Head Start progress report (SR).....	1061	
lead ingestion, varying psychological sequelae; review of literature.....	*19	
lead poisoning prevention, degree of success noted among Baltimore City children (CR).....	323	
low-birth-weight infants' intellect tested (CR).....	320	
migrant children; uniform student record transfer system developed by Arkansas State Department of Education (SR)....	502	
newborns in New York City tested for galactosemia, 1968-69.....	*575	
new report system devised for Children's Bureau covering projects under title II of Public Law 89-97 (CR).....	290	
obstacles to medical care for children of neglecting parents (CR).....	322	
Papago Indian children.....	*1047	
podiatry screening project, District of Columbia.....	*803	
pregnant weight watchers risk harm to babies (SR).....	964	
reorganization of DHEW programs for mothers and children (SR).....	10	
transfer of Maternal and Child Health Service to Health Services and Mental Health Administration (SR).....	90	
unmet medical needs; survey of children in six Florida counties, 1967.....	*189	
vision screening of preschool children in mobile clinics in Iowa, 1967-68.....	*41	
vision testing by parents of 3½-year-old children.....	*426	
CHOLERA		
advice to world travelers from Center for Disease Control (SR).....	879	
CHRONIC DISEASES		
<i>see also</i> name of disease		
Commission on Chronic Illness, 1954 Baltimore survey; followup study (CR).....	331	
prevention by improving environment (CR).....	287	
COAL MINERS <i>see</i> Occupational Health		
COCCIDIOIDOMYCOSIS		
in Los Angeles County.....	*393	
COMMUNICABLE DISEASES <i>see</i> name of disease		
COMMUNICATIONS		
advertising campaign for use of seat belts falls (SR).....	655	
Medical Information Network, MEDINET (formerly PHS Emergency Radio Network) (SR).....	44	
via satellite, used by medical centers to assist physicians in remote areas (SR)....	569	
COMMUNITY HEALTH		
dynamic role predicted for nurses, Illinois (CR).....	300	
Federal health agency as preceptor in community medicine.....	*151	
workshops on services and health manpower planning for State occupational and physical therapists (SR).....	130	
COMMUNITY MEDICINE		
team learning in community medicine for medical and paramedical students, University of Kentucky.....	*558	
CONFERENCE REPORTS		
American Public Health Association, 97th, 1969.....	283	
CONSUMER SERVICES		
Georgia's program (SR).....	963	
CONTRACEPTIVES		
oral, excess mortality of pill and cigarette users in 1966 from thromboembolisms, annual risk.....	*197	
search for preparation to prevent venereal disease and pregnancy.....	*1062	
DEMOGRAPHY		
factors in opiate addiction among Mexican-Americans.....	*523	
redefinition of Hispanos by an improved method for recognizing Spanish surnames.....	*617	
DENTAL HEALTH		
dental Medicaid in New York State (CR)...	347	
dentistry's role in regional medical programs (CR).....	345	
group practice and poverty communities, pilot program, Harbor City, Calif. (CR)...	347	
legal scope of dental hygienists in the United States and other countries.....	*941	
oral cytology program promoted by public health detailer (CR).....	349	
practices of mothers, socioeconomic status and factors influencing (CR).....	346	
use of school dental nurses, New Zealand (CR).....	349	
DIABETES		
hyperlipidemia as a prognosticator of abnormal glucose tolerance; an exploratory study.....	*241	
DIAGNOSTIC TESTS AND TECHNIQUES		
only one drop of blood needed for indicator of many diseases (SR).....	895	
DIET <i>see</i> Nutrition		

DIPHTHERIA			
analysis of outbreak, Austin, Tex., 1967-69_	*949		
<i>Corynebacterium diphtheriae</i> from 1962 epi- demic survives in partly immunized group of rural school children, Madison County, Ala. (CR)-----	310		
DRUG ABUSE			
education film guide (SR)-----	738		
intravenous methamphetamine, illicit use associated with hepatitis-----	*809		
DRUG ADDICTION			
among school-age youth, Federal Drug Abuse Program-----	565		
ex-addicts help teachers in drug education program (CR)-----	326		
heroin, methadone maintenance treatment program, New York City (CR)-----	355		
illicit drug use and addiction in the United States -----	*1035		
readmission rates at Public Health Service Hospital, Lexington, Ky., for 43,215 nar- cotic drug addicts, 1935-66-----	*610		
use of opiates among Mexican-Americans, demographic factors-----	*523		
DRUGS			
<i>see also</i> Contraceptives			
child-resistant containers for pills (SR)---	842		
gonorrhoeal urethritis in males treated with a single oral dose of minocycline-----	*160		
Rifampin, new antituberculosis drug effec- tive against other pulmonary diseases (SR) -----	690		
ECOLOGY			
vertebrate, in public health-----	*105		
ECONOMICS, HEALTH			
cost analysis of developmental phase of an automated multiphasic health testing fa- cility, Tulane project-----	*685		
effect of heavy medical expenditures on low- income families; incidence and impact---	*419		
increase in 1969 hospital expenses (SR)---	484		
multifaceted plan offered to check hospital costs (CR)-----	297		
survey of cost differences of diets of anemic and nonanemic children-----	*1087		
time loss and indirect costs caused by dis- ease among Indians and Alaska Natives; comparison with the general U.S. popula- tion -----	*397		
EDUCATION			
of nurses does not affect later performance (CR) -----	303		
postdoctoral, United States (SR)-----	206		
EDUCATION NOTES <i>see</i> Training Courses			
EGYPT			
blindness in urban and rural areas, preva- lence and causes-----	*587		
ELECTROCARDIOGRAPHY			
electrocardiograms with six and twelve leads, evaluation of computer analysis---	*853		
		EMERGENCY HEALTH SERVICES	
		in community hospitals-----	*163
		nationwide availability-----	*517
		new periodical: Emergency Health Services Digest (SR)-----	373
		Nigeria, use of packaged PHS disaster hos- pitals in aftermath of civil war (1969-70)	*659
		packaged PHS disaster hospitals sent to Nigeria (SR)-----	239
		urban hospital emergency room, public health nursing experiences (OR)-----	300
		ENCEPHALITIS	
		California, observed in Pennsylvania (CR)-	314
		ENVIRONMENT	
		and genetics role seen in some neoplasms, Minnesota four-hospital study (OR)----	327
		interaction of genes and environment in rhabdomyosarcomas (CR)-----	328
		ENVIRONMENTAL HEALTH	
		<i>see also</i> Air Pollution	
		air and water pollution, position of the Federal Government on control (CR)---	342
		certification examinations by Environmental Engineering Intersociety Board-----	154, 1000
		management of resources (OR)-----	344
		measurement of stray neutron spectra around a tandem Van de Graaff accelera- tor, Yale University (OR)-----	316
		need for stronger role by public health community (OR)-----	342
		pollutants can unbalance earth's delicate ecosystems (CR)-----	343
		protection against all but unavoidable or beneficial sources of radiation (CR)---	314
		publications for rat control and prevention programs (SR)-----	40
		reactor safety evaluation by Public Health Service (CR)-----	315
		University of Michigan's sea grant program (SR) -----	927
		EPIDEMIOLOGY	
		approaches to primary prevention of disease	*1
		beef tapeworm infection in the United States	*169
		Chamorros' health not hurt by migration or Westernization (CR)-----	309
		childhood rhabdomyosarcomas, genes, and environment (OR)-----	328
		chromosome aberrations and cancer among A-bomb survivors (OR)-----	328
		Collaborative Community Stroke Study (CR) -----	330
		comparison of epidemiologic yield in fol- lowup of male and female contacts of gonorrhoea patients, Seattle-King County Wash., 1968-69-----	*997
		<i>Corynebacterium diphtheriae</i> from 1962 epi- demic survives in partly immunized group of rural school children, Madison County, Ala. (CR)-----	310

EPIDEMIOLOGY—Continued

food poisoning occurrences in New York City, 1969; under-reporting in the city and nation.....*1013

genetic-environmental role seen in some neoplasms, Minnesota four-hospital study (CR) 327

human intestinal capillariasis, northern Luzon (CR)..... 338

of accidents among Navajo Indians.....*881

of leukemia among patients irradiated for benign and malignant gynecological disorders (CR)..... 329

outbreak of food poisoning caused by *Bacillus cereus*, University of California, Berkeley*45

outbreak of Hong Kong influenza in Milwaukee, winter 1968-69.....*140

serologic evidence of endemic area of California encephalitis in Pennsylvania (CR)..... 314

serum hepatitis-related antigen in patients with viral hepatitis, New York City (CR) 312

strategy for high-risk parity group (CR).... 318

studies of otitis media among Eskimo children*699

susceptibility survey to evaluate Cendehill vaccine, United States and Caribbean (CR) 311

teaching programs in the epidemiology of mental health.....*1129

urinary study of school children, including consumer motivation and acceptance of screening project, Galveston County, Tex*828

ETHNIC GROUPS

see also name of group

screening of ethnic subgroups in New York City for symptoms associated with psychiatric impairment.....*495

FAMILY PLANNING

and overpopulation, attitudes of married college students.....*412

continuance of contraception post partum, patients of Cook County Hospital, Illinois*220

data computerized, Atlanta, Ga. (CR).... 318

District of Columbia birth control program, participation of low-income urban women*859

elegance versus relevance in population research (CR)..... 317

epidemiologic strategy for high-risk parity group (CR)..... 318

establishing services in Kenya; a review...*131

evaluated by vital statistics and census tract data, Emory University program.....*383

Guatemala; 1967 program at 20 centers analyzed*570

FAMILY PLANNING—Continued

India, evaluation of training of nurses as Peace Corps extension workers in family planning*707

suggestions on adding to curriculums of medical schools in India.....*889

use of paraprofessionals in New York City to motivate women to return for post partum checkup; Planned Parenthood Project*625

FILIPINOS

and Japanese plantation workers in Hawaii, coronary risk factors.....*975

FILMS

descriptive announcements..... 65, 99, 494, 732, 843, 1019, 1123

FOODBORNE DISEASES

food poisoning outbreak in Kentucky traced to creamed turkey.....*1103

occurrences in New York City, 1969; under-reporting in the city and nation.....*1013

outbreak of poisoning caused by *Bacillus cereus*, University of California, Berkeley..*45

FOOD PROTECTION

role of local health department (CR).... 313

FUNGUS DISEASES

blastomycosis, sexually transmitted (SR).. 1112

Sporothrix (Sporotrichum) schenckii isolated from sphagnum moss in a nursery barn, use of disinfectant to control.....*579

GALACTOSEMIA

tests of New York City newborns by fluorescent spot method, in conjunction with phenylketonuria screening, 1968-69.....*575

GARBAGE *see* Wastes, Solid

GENETICS

genetic-environmental role seen in some neoplasms, Minnesota four-hospital study (CR) 327

interaction of genes and environment in rhabdomyosarcomas (CR)..... 328

total synthesis of gene achieved (SR)..... 802

GLAUCOMA *see* Vision

GONORRHEA

control through community involvement (CR) 336

detection, preliminary report on a mass screening program, Chicago, 1968-69....*681

effect of eliminating hemoglobin from Thayer-Martin medium on growth of *Neisseria gonorrhoeae* in primary isolates..*532

followup of male and female contacts of patients, Seattle-King County, Wash., 1968-69; comparison of epidemiologic yield*997

gonococcal specimens, use of VCN (vancomycin, colistimethate, nystatin medium) to transport.....*390

gonorrheal urethritis in males treated with a single oral dose of minocycline.....*160

GONORRHEA—Continued		HEALTH DEPARTMENTS—Continued	
<i>Neisseria gonorrhoeae</i> fluorescent antibody conjugate, method for preparing.....	*733	issues in the development and operation of programs jointly sponsored by voluntary hospitals and local health departments (CR)	287
GRANTS, PHS		local, food protection role (CR).....	313
eight new comprehensive health centers awarded total of \$4 million (SR).....	87	local, officials cite future roles (CR).....	288
for comprehensive health planning in 14 States (SR).....	196	Minneapolis, maternity and infant care programs for pregnant school girls (CR)---	319
for nurse training improvement (SR)---	58	New York City audits Medicaid abuses (CR)	296
four awarded to solve problems in solid wastes management (SR).....	464	New York City, nurse-midwife service incentive program (CR).....	323
to 10 colleges and universities for construction of health education facilities (SR) ..	731	Pennsylvania, employees evaluate process of decentralization of services.....	*919
GUAM		Philadelphia, role in changes in community policy (CR).....	306
rabies control	*1113	role of Illinois health department in placing operation of Cook County hospitals under nonpartisan board (CR).....	295
GUATEMALA		HEALTH EDUCATION	
analysis of 1967 family planning program at 20 centers.....	*570	children's perceptions of vulnerability to illness and accidents; an exploratory study	*69
HANDICAPPED		decline of individualism.....	*213
children, how to evaluate services and care...	*647	effect of education methods on appointment breaking; study of patients with suspected glaucoma.....	*441
HAWAII		experiment in modifying health beliefs....	*478
coronary risk factors of workers on a Kauai plantation; comparison of data for Japanese and Filipinos.....	*975	Medigame evaluated as educational tool...	*377
Head Start enrollment, influencing factors...	*207	nostrums and machines of medical quackery; exhibit at National Library of Medicine (SR).....	374
incidence of obesity and overweight among Honolulu policemen and firemen.....	*433	using health aides effectively, guidelines...	*773
HEAD START see Child Health and Welfare		visual aids for prevention of poisoning (SR)	150
HEALTH AIDES		HEALTH FACILITIES	
from "hard core" areas used to increase immunization levels.....	*177	community mental health centers number 376 (SR).....	112
functions, as perceived by themselves and other health personnel.....	*767	East Harlem District Health Center; sensitivity training to improve interpersonal relations between staff and consumers (CR)	286
indigenous nonprofessionals trained as health screening technicians, Denver's neighborhood health program (CR).....	285	eight new comprehensive health centers awarded total of \$4 million (SR).....	87
in health education programs, guidelines for effective use.....	*773	neighborhood health center as a new social institution, a political scientist's view (CR)	285
inner city, used in Baltimore tuberculosis control program	*955	South Central Multipurpose Health Service Center, Los Angeles; acculturating health care in the ghetto (CR).....	284
introduction to a series of papers.....	*753	27 centers rated by Office of Economic Opportunity (CR).....	284
pain or panacea?.....	*788	HEALTH PLANNING	
supervision, the key to success with aides; practice guidelines.....	*780	baseline data for planning and implementing local neighborhood health center programs (CR)	284
training by "interaction development" approach	*754	definition and measurement of health and disease	*100
training, crucial areas and implementation	*760	insurance industry looks ahead at health care in the 1970's.....	*117
use of paraprofessionals in New York City to motivate women to return for post partum checkup; Planned Parenthood Project	*625		
HEALTH DEPARTMENTS			
Chattanooga-Hamilton County (Tenn.) experiences in reorganization for delivery of health services (CR).....	305		
District of Columbia birth control program for low-income women.....	*859		

HEALTH PLANNING—Continued

issues in the development and operation of programs jointly sponsored by voluntary hospitals and local health departments (CR) ----- 287

Jarvis' law and the planning of mental health services; influence of accessibility, poverty, and urbanization on first admissions to Connecticut State hospitals and role of alternative psychiatric service.... *503

PHS grants for comprehensive planning in 14 States (SR)----- 196

reaching for program accountability in mental health community practice..... *251

social design and operations research..... *247

urban and regional foundations..... *267

HEALTH SERVICES

see also Indigent

and care offered handicapped children; how to evaluate..... *647

automated multiphasic health testing facility, cost analysis of developmental phase, Tulane project..... *685

clinical laboratories, quality services for American people..... *155

community health and medical care reassessed, Philadelphia (CR)----- 306

evaluation of programs..... *835

for Federal employees..... *550

identification and development in a new town, Reston, Va. (CR)----- 307

implications of the New York City Health and Hospitals Corporation for improving delivery (CR)----- 293

mission of the Health Services and Mental Health Administration..... *95

Q value used as indicator to aid management in assigning program priorities, Indian Health Service, Tucson, Ariz..... *725

reorganization for delivery, experiences in Chattanooga, Tenn. (CR)----- 305

response to physical activity programs and their effects on health behavior..... *905

HEALTH SERVICES AND MENTAL

HEALTH ADMINISTRATION

mission ----- *95

HEARING

conservation in the U.S. Army..... *896

electric brain responses are clues to children's hearing (SR)----- 1090

hearing loss in older men tied to cigarette smoking (CR)----- 333

HEART DISEASE

coronary, primary prevention program, Franklin County, Ohio (CR)----- 330

coronary risk factors of workers on a Kauai, Hawaii, plantation; comparison of data for Japanese and Filipinos..... *975

mortality rates for rheumatic fever and rheumatic heart disease, Nashville and Davidson County, Tenn., 1940-65..... *1091

HEART DISEASE—Continued

motion picture of coronary circulation (SR) ----- 1108

survey of coronary care facilities in 50 Massachusetts hospitals..... *123

HEPATITIS

associated with illicit use of intravenous methamphetamine ----- *809

serum hepatitis-related antigen in patients with viral hepatitis, New York City (CR) ----- 312

HISPANOS

demographic redefinition by an improved method for recognizing Spanish surnames ----- *617

HISTOPLASMOSIS

bat and soil studies for sources in Florida... *1063

HOMICIDE

and suicide among American Indians compared with general U.S. population..... *75

HOSPITALS

changing patterns of hospitalization for psychiatric disorders, Pueblo, Colo., 1959-61... *81

community, emergency room use..... *163

emergency room treatment misses serious illnesses (CR)----- 300

floor cleaning procedures for patients' rooms, microbial evaluation (CR)----- 350

implications of the New York City Health and Hospital Corporation for improving delivery of health services (CR)----- 293

in Cook County (Ill.) operated by nonpartisan board (CR)----- 295

issues in the development and operation of programs jointly sponsored by voluntary hospitals and local health departments (OR) ----- 287

Marine; used also for clinical instruction in 19th century..... *471
