Safety Information

To ensure the health and safety of all individuals attending this meeting, a few safety regulations must be reviewed. In the event of an emergency resulting in an evacuation, the procedures are as follows:

- **Back of room:** Exit out the rear doors and across the bridge the way you came
- **Front of room:** Exit through the rear of the room and turn left, then right down the stairs.
- Locate the blue building marker sign labeled “Conference and Meeting Space—GCC, 2nd floor” and group together to ensure all attendees are accounted for.
- Once the premises have been secured and an all clear has been issued, you may re-enter the building and resume your scheduled meeting.

ACIP Charter

- “Committee deliberations on the use of vaccines to control disease in the U.S. shall include consideration of disease epidemiology and burden of disease, vaccine efficacy and effectiveness, vaccine safety, the quality of evidence reviewed, economic analyses and implementation issues.”
- “The committee may revise or withdraw their recommendations regarding a particular vaccine as new information on disease epidemiology, vaccine effectiveness of safety, economic consideration or other data become available.”
- “Under provisions of the ACA... immunization recommendations of the committee that have been adopted by the Director of the CDC must be covered by applicable health plans”

Clinical Decision Making

- To improve the clarity of ACIP's recommendations, recommendations based on clinical decision making between the patient and provider will be referred to as “shared clinical decision making” recommendations
- Differs slightly from the previous phrasing of “individual clinical decision making” but intent is the same
- “Shared clinical decision making” a better understood concept among clinicians

Disclosure of Conflicts of Interest

- Members of the ACIP agree to forgo participation in certain activities related to vaccines during their tenure on the committee. CDC has issued limited conflict of interest waivers as follows:
 - Members who conduct vaccine clinical trials or serve on data safety monitoring boards are prohibited from participating in committee votes related to those vaccines.
 - Regarding other vaccines of the concerned company, a member may participate in discussions, with the provision that he/she abstains on all votes related to the vaccines of that company.
- At the beginning of each meeting, ACIP members state any conflicts of interest.

ACIP Membership

- Detailed instructions for submission of names of potential candidates to serve as ACIP members will be added shortly to the ACIP website.
- Applications for ACIP membership are due no later than July 1, 2019 for the 4-year term beginning July 2020.
