

Coronavirus Disease 2019 (COVID-19)

COVID-19 Published Science and Research

Updated Sept. 4, 2020 [Print](#)

CDC is responding to the COVID-19 pandemic by learning more about how the disease spreads and affects people and communities.

CDC's Morbidity and Mortality Weekly Report publishes the results of COVID-19 outbreak investigations. CDC's scientific journal Emerging Infectious Diseases has published dozens of studies by researchers studying COVID-19 since the pandemic began.
