

Cases and Deaths by State

Select up to 6 states or

13	1/4	453
----	-----	-----

14 191

467

are validated through a confirmation process with each jurisdiction.

Differences between reporting jurisdictions and CDC's website may occur due to the timing of reporting and website updates. The process used for finding and confirming cases displayed by other states may differ. *Counts for New York City and New York state are shown separately; data for New York State show total cases and deaths for the State excluding data for NYC.
